»» COMMUNITY EVENTS

YMCA OF BUCKS AND HUNTERDON COUNTIES KIDS TRI

Our annual YMCA Kids Triathlon, the ultimate endurance event where our community's youth will cross the finish line every summer. Supported by the USA Triathlon Kids Tri initiative, our YMCA Kids Triathlon is unique and is the only event of its kind in the tristate area.

YMCA BUCKS COUNTY STRONG 5K

Lace up your running shoes and join us for a fun-filled day of fitness and community engagement. This a fantastic opportunity to make a positive impact while promoting wellness and unity within our community.

100% of the proceeds from all of our special and community events will provide financial assistance for children and youth from low to moderate income families to attend early and school age care and summer camp programs. Many of the low to moderate income families we serve just "place out" of state supported assistance. It could be as low as a \$1 difference. YMCA financial assistance helps families that place out and also families who need our support as they sit on the waiting list for state assistance for childcare expenses.

»» BE PART OF SOMETHING GREAT!

Did you know that annually, the YMCA serves over **49,603 individuals** in Bucks and Hunterdon Counties? Last year we served over **140,000** meals and snacks to hungry children and awarded over 5 million dollars in community impact through our financial assistance and Pathway programs. We recognize that the need for childcare to help break the cycle of poverty is vast and our goal is that no one would be turned away because of an inability to pay. We believe that EVERY child should have the opportunity to learn, grow, and thrive in YMCA programs. YMCA of Bucks and Hunterdon Counties is proud to be one of the leading organizations for youth development by offering affordable early childhood and school age child care as well as summer camp. We are committed to nurturing the potential of every child – are you ready to join the mission?

YMCA MISSION:
