# ABILITY CAMP

Ability Camp is a "camp within a camp" designed for campers who, in order to be safe and successful, require smaller ratios than what you may find in a traditional camp environment. Counselors work to provide physical, emotional, behavior and cognitive support to help campers fully participate and succeed in outdoor/indoor camp activities.

Ability Adventure Camp is a **fully mainstreamed, inclusive** program that provides support for children and adolescents entering Kindergarten through grade 7 with intellectual, developmental and physical disabilities or behavioral health concerns alongside their age-similar peers of all abilities.

Teen **Leaders in Training (LIT)** camp is designed for teens ages 14-22 with intellectual and developmental disabilities to develop practical skills in volunteering/job training, community learning and health and wellness.

To be successful in Ability Camp, campers should be mainstreamed at least part of the day during school and be successful in a 1:3 ratio (K-grade 7) or 1:6 (Leaders in Training). Campers also must be independent with toileting and feeding. Students who require 1:1 support for any of the above are welcome at Ability Camp with the assistance of a personal care aid, TSS or other support person provided by the family.

**An application is required for all Ability Summer Camp programs.** For more information about Ability summer programs visit our website at [ymcabhc.org/camp](http://ymcabhc.org/camp) or email [abilitycamp@ymcabhc.org](mailto:abilitycamp@ymcabhc.org).
