This camp invites young game enthusiasts to dive deep into the world of game creation, media, and tech skills. This isn’t your typical S.T.E.A.M. camp—each week focuses on a unique theme in the game and tech industry, from coding and computer-building to game design in some of today’s most popular platforms, like Roblox, Minecraft, and Unreal Engine. Kids won’t just play games; they’ll learn to build, design, and even create content around them! Through a mix of hands-on activities, creative projects, and teamwork, campers will gain valuable tech skills, explore potential career paths, and make lasting connections. Be sure to check out each week’s theme description to see what exciting new skills await your camper this summer! Whether they’re aspiring game developers, content creators, or tech enthusiasts, this camp is designed to help every young gamer turn their passion into a skill.

Gaming & Esports Tech Camp

Our full-day esports camp offers an exciting, well-rounded experience for young gamers! Campers will enjoy fun challenges, team-based activities, and supervised free play across their favorite games. Each day includes structured competitions and tournaments based on the week's featured games. Curriculum combines competitive play, physical activity, and creative learning. More than just play, our program enhances strategic communication, teamwork, and confidence in a safe and structured environment. Open to gamers of all skill levels, the camp will leave participants with new skills, friendships, and memories to last a lifetime.

Families can choose full-day or half-day options. Morning sessions will feature brief lessons with insights into game design, coding, and other STEAM themes, giving campers a glimpse into how their favorite games are built and run. Afternoon sessions will feature an activity period where campers participate in gym games, swimming, and more. Campers will enjoy esports activities in both the morning and afternoon.
