AFTERNOON SESSION (1-4 PM)

Our full-day esports camp offers an exciting, well-rounded experience for young gamers! Each week, campers will enjoy fun challenges, team-based activities and supervised free play across their favorite games. Each day includes structured competitions and tournaments based on the week's featured games. This camp's curriculum combines competitive play, physical activity, and creative learning. More than just play, our program enhances strategic communication, teamwork, and confidence in a safe and structured environment. Open to gamers of all skill levels, the camp will leave participants with new skills, friendships, and memories to last a lifetime.

Families can choose full-day or half-day options. Morning sessions will feature brief lessons with insights into game design, coding, and other STEAM themes, giving campers a glimpse into how their favorite games are built and run. Afternoon sessions will feature an activity period where campers participate in gym games, swimming, and more. Campers will enjoy esports activities in both the morning and afternoon.

HALF DAY CAMP (9 AM-12 PM)

NinjaZone is a fusion of obstacle course training, gymnastics, parkour and character building. These programs are the foundation of whole-body movement and the mind-body connection. A progressive level system evaluates and advances children in their skill and knowledge of core values as described in the NinjaZone creed. Children build strength, agility and learn at their own pace.

HALF DAY CAMP (1-4 PM)

Bring your swimsuit and a smile as we spend the week developing our skills in the water. Campers will work with our swim instructors on techniques while building confidence in themselves. Groups will be based on swimming levels from new to advanced as we cater the lessons to the campers' individual comfort levels.
